About This Content

Another Cult rises to threaten the Northern Reach! The Blood Cult is an expansion for Heretic Operative that adds a new, difficult Cult Deck to use in the game.

Commanding the gruesome power of unfettered Blood magic, these Cultists present a serious challenge to the Heretics.

- Blood Cultists are largely immune to physical damage.
- Blood Cult sites can destroy your allies, replacing them with doppelganger Cultists.
- 20 new Enemy cards to challenge your skills. Late-game enemy cards are extremely difficult, requiring an aggressive pace to stay out of danger.

The Blood Cult will unlock upon reaching level 2 (after finishing the introductory game), and is usable in combination with all Story Decks and Operatives.

Can you survive the horrors of the Blood Cult?
